Honeywell Instant Alert Information

All staff, as well as parent home phone numbers, are initially registered in the Honeywell Instant Alert system. You may or may not have established your own unique login to the Honeywell Instant Alert system. If you have not established an account login at Honeywell, follow the steps below. Then you will be able to confirm correct phone numbers for alerts and add other contact information like cell phone and email that may be important. If you have created a login to Honeywell Instant Alert but forgot what it is, do the steps under the page 2 topic "Forgot login".

Step 1

Instant Alert® for Schools

Schools
With Honeywell Instant Alert, schools can let parents know more quickly and conveniently.
No... students will remember there's an important flier in their backpack. Instant Alert brings the news directly to parents and they can decide how and where they receive messages.
