

- Please complete the 2012 AP Exam. The link is below. The answers are at the end of the test. Be sure to check your answers and revisit questions you did not get correct. Anything that you struggle with will be addressed when we return to school.

[2012 Public Practice Exam: AP Calculus AB](#)

- The link to a practice 2020 AP Exam is below. This one is optional. If you choose to do it (and why wouldn't you because these are fun?!), please check your answers and revisit questions you did not get correct. We can discuss any difficulties with these as well.
