MARGATE BUSINESS ASSOCIATION

Daniel and Maria Walters

2023 SCHOLARSHIP PROGRAM

Offers

Scholarship Opportunity for MARGATE/LONGPORT Students

The Margate Business Association is offering two \$2500 scholarship awards to Margate or Longport student residents who have attended Margate elementary schools (public or private), will graduate from an area high school in May/June, 2023, have been accepted to and will be attending an accredited institution of higher learning, and best fulfill the following requirements:

1. Submission of a type-written, double-spaced essay in response to the following:

The controversy over the banning of books has a long history, and many of the titles under scrutiny are still being taught. Identify a book that you have either read on your own or as part of a class assignment that you hope would never be banned. In an essay of 250-350 words, give the title and author of the book you have selected and explain why you chose it, giving at least two reasons why that book should never be included on a list of banned books.

In your essay do not identify yourself by name.

2. Three (3) adult references (not related to the entrant):

- A. A classroom teacher
B. Someone associated with the student in extra-curricular activities
C. A community sponsor providing a personal character reference

3. A list of K-8 elementary/middle schools attended

4. A list of high school activities

5. A list of club, volunteer, or community service activities (current or past)

6. A list of any special honors and/or awards

7. Name of college/university you will attend in Fall 2023, and proposed major

PLEASE NOTE: We strictly adhere to the eligibility criteria and deadlines. Without exception, applications that do not meet all of the criteria, are missing required elements, or arrive after the deadline are screened out of the process and are not considered for an award.

I have completed and attached my essay which I declare is my own original work, the form listing K-8 schools attended, school, community service, special awards, and the three required adult letters of reference, unless those reference letters are being submitted independently.

Form with fields: Student Name (Print or Type), Address, Telephone, Social Security Number, High School, Graduation Date, College/University I will attend beginning Fall Semester, 2023, Proposed Major, Student Signature

*Mail USPS this page and all attachments by April 11, 2023 to: [Hand delivery not accepted]
