Students interested in registering to attend a college presentation should follow the below instructions:

1. From **MyPrep** “Resources”, click on the **Naviance|Student** logo
2. Under “**My Favorites**” click on “**Colleges – I am thinking about**”
3. Under “**Quick Links**”, click on “**College Visits**”
4. Click on “**Register Now**” to register

Most college presentations are scheduled during Enrichment or Lunch periods. In the event a presentation conflicts with a class it is your responsibility to request permission from your teacher prior to the presentation day.
