

TRANSPORTATION VOUCHER PROGRAM

Many students travel to campus by carpool, drive on their own, or dropped off by parents. We have a solution for those times when your carpool is unavailable to bring your son to campus or a car breaks down and driving to campus is not an option!

- Vouchers are non-transferable and valid for current school year
- Voucher good for *same day* round trip OR one way only
- Number of vouchers sold based on number of empty seats per bus
- Driver to collect voucher when student enters bus
- ***Parents must use order form to purchase vouchers***
- Payment must be included with the order form
- Vouchers will be sold throughout the school year
- Vouchers are available after August 15 in the Transportation Office which is located in Augustinian Hall.
